November

Cycle Days: 2, 3-PE, 4, 5-Lib. books, 1

Homework Reminders:

Please be diligent with your child's math fact practice (at least 3x/week!) Use the suggestions sent home at the beginning of the school year to keep practice engaging and effective! **Check the Math Resources on my website for a new copy if needed.**

In Our School:

Title I Parent Meeting is on Tuesday at 4pm! By attending you can provide your input and ideas of how you would like QE to support you and your child in math this school year!

What's New: ~ *italics* provide suggestions for guidance at home ☺

Word Study – (A & B) High frequency “sight” words: words that appear often in 2nd grade texts and writing. *Keep this list near where HW is completed. Your child should always be spelling these words correctly in any writing that they do!*

Reading – Text: Hallo-Weiner by Dav Pilkey (a great Halloween book with a focus on bullying)
Skills: Identifying fictional story elements – characters/setting, problem, events, solution, & conclusion. *After your child has completed their 20min of reading, ask them if their book is fiction. If so, have your child identify the different fictional story elements!*

Math – [*Mad Minute: A43 -*] Types of addition problems: 3 addend, story problems, arrays, and mental math. *Drawing a picture is a great strategy for a difficult math problem!*

Writing – Revising and Editing. *Have your child reread their spelling sentences when they're finished. Do they make sense? Did they use capitals and periods?*

Important Dates:

- **Nov. 3rd (4-5pm)** – Title I Parent Meeting (all are invited!)
- **Nov. 5th** – End of the 1st marking period
- **Nov. 10th (5pm)** – PTO Meeting in the library
