

# Keeping up with Miss Kramer's Class

## Special Announcements:

Each week your child brings home word cards in the envelope inside their HW folder. These word cards correspond to the words on their spelling list & include extra words that follow the pattern. Consider using these word cards for Thursday night spelling practice before the test on Friday!

Here's some ideas:

- Sort the words
- Read the words
- Play a match game

Cycle Days: 1, 2, 3-PE, 4, 5-Lib. books

## Homework Reminders:

Many of the math pages that are sent home for HW do not require your child to complete all the problems. Consider having your child complete the extra problems for additional practice if needed, or to count towards 5 minutes of fact practice! (if it's related to addition/subtraction)

## In Our School:

**QE Gives Back!** We are collecting canned goods for the local food bank to give back during this Thanksgiving season. Please send in final donations this week!

## What's New: ~ *italics* provide suggestions for guidance at home 😊

**Word Study** – (A) Long vowel pattern oa/ow, (B) short vowel + g word families. *The pattern oa is usually in the MIDDLE of a word & ow is usually at the end!*

**Reading** – Text: Chinatown

Skills: Continuing to learn about the different types of questions and where to find the answers. *After your child has completed 15min of reading, spend 5min asking them a few questions to support their comprehension. Ask questions that have answers in the book or answers that your child develops using their opinions and experiences.*

**Math** – [*Mad Minute: A45 -*] Double digit addition without and WITH regrouping! *Check out the In Our Classroom page on my website for a video tutorial to help support your child*

**S.S.** – 3 types of communities: Rural, suburban, urban. *Reflect on traveling your family has done. What urban areas have you been to? What areas do your family members live in?*
