Spelling Tic-Tac-Toe will be due on Friday of this week due to no school on Monday. Please make sure your child is completing 3 activities and an adult is checking and signing! Spelling test will be given on Friday also.

In Our School:

Weather Drill – On Wednesday, QE students and staff will be rehearsing the procedures for a severe weather drill. This is just a drill!

What's New: ~ *italics* provide suggestions for guidance at home 😊

Word Study – **A) vowel pairs aw/au:** *both pairs say "Aww". AW is usually found at the END of a word, AU is usually found in the MIDDLE.* **B) digraphs & blends:** *a review of double consonant patterns found at the ends of words.* **C: syllable breaks:** *If the vowel sound is long, it's called an open syllable. If the vowel sound is short, it's called a closed syllable. This knowledge is helpful for decoding longer and unfamiliar words in reading!*

Reading – We'll finish and assess our science unit & start learning about National Parks! *Has your child or family visited any of the national parks? If so, I'd love for you to share some photos if possible! Do you know Teddy Roosevelt's influence on our country's national parks?*

Math – [A34 +] Reviewing & practicing all skills for time. The unit test will be on Friday. *What skill for time is most difficult for your child? Ask them to see what they think. Visit www.IXL.com for some guided practice to help your child strengthen their skills.*

S.S. – Finishing & assesses Civil Rights. Next we'll be starting our next writing piece: Informational writing, a report on an animal. *What animal would your child be interested in?*
