

Keeping up with Miss Kramer's Class

Special Announcements:

4th Quarter Parent Input 3-2-1:

The final parent input 3-2-1 will be sent home this week! Please complete and try to send back to school by this Friday! This helps me touch base with you regarding your child's strengths and weaknesses and set goals for 3rd grade!

2nd grade Survey:

Your input is also valued about some of my routines & procedures this year. Complete & return if you are able!

Cycle Days: 3, 4, 5, 1

Homework Tips/Reminders:

This week is the last spelling list of the year. The list will review sight words that are important for students to be able to read & spell. Activities will be different than the tic-tac-toe. Please be sure to still complete at least 3 and initial!

In Our School:

Lost and Found: Our lost & found is overflowing!! Please stop in at some point to browse through and see what may belong to your child.

What's New: ~ *italics* provide suggestions for guidance at home ☺

Word Study – **ALL:** High frequency "sight" words – list 2. *These words are expected to be mastered by the end of 2nd grade. They should no longer be spelled incorrectly in any writing your child does. Focus on the words that your child misspells or misidentifies in writing & reading.*

Reading – Using Student Atlases to learn how to use map features to locate key places on a map. Students will explore the continents and oceans, and learn about north, east, south, and west. *What are the places your child has visited already in their lifetime? Check out a map and identify the cities and states (or maybe even countries!) they've visited before.*

Math – [A53 -] Data & Graphing: Grids & Line Plots. *I will be focusing on the analyzing portion of data & graphing. When your child is asked a question about given data, encourage them to stop & consider what information they'll need, what to do with that certain data, & to double check their work!*

Writing – Your child will continue to word process their final writing piece! *Ask your child what keys they've learned on the keyboard. Even better – have them show them to you!*

Important Dates:

- **June 3rd** – Parent 3-2-1 & surveys are due
- **June 4th (10am-2pm)** – Spring Fair!
- **June 10th** – Report cards & last day of school
