

# Keeping up with Miss Kramer's Class

Cycle Days: 4, 5-Lib. books, 1, 2, 3-PE

On Monday, I'll be sending home the 3 "check-up" quizzes your child took during the first part of the Number Sense math unit. Look through these with your child and see what skills can support at home. Encourage your child to make corrections! Reviewing these will be a great way to get ready for the first math test on Tuesday.

## Homework Reminders

Some parents have found it helpful to check off the items in their child's planner before they sign each night. This helps to show your child responsibility and hold them accountable!

## In Our School

**Free & Reduced Meals** – If your child has been receiving free/reduced meals since last school year, you have until October 14<sup>th</sup> to complete & submit a new application for this school year.

## What's New ~ *italics* provide suggestions for guidance at home ☺

**Word Study** – long and short /o/ sounds in CVC and CVCe patterns. (consonant/vowel)  
*Help your child look out for "SUPER E!" Sometimes a word looks like it will have a long vowel, but instead it makes a short vowel sound. We call these words oddballs.*

**Reading** – Text: Mrs. Brown Went to Town

Skill: Making predictions. *Reading together with your child has many benefits! Before starting a text or going on to the next part, stop to make predictions and share them with each other. Use the title, pictures, text, and what you already know as your clues.*

**Math** – [*Mad Minute: A13 +*] Number sense test on Tuesday, then starting number sense skills to 1,000. *Utilizing visuals for hundreds, tens, and ones can help support your child!*

**Social Studies** – Citizenship: voting process and levels of government

## Important Dates

- **Oct. 2<sup>nd</sup>** – Expectations Celebration (80% on green)
- **Oct. 5<sup>th</sup>** – Picture Day
- **Oct. 6<sup>th</sup> (5-6pm)** – PTO Meeting @ QE Library
